'Matter' Is Subject for This Sunday

The Lesson-Sermon in the Churches of Christ, Scientist, on Sunday will discuss the nature of the opposite of Spirit, God, and contrast it with the substance of Spirit.

The subject is "Matter." The theme is keyed by the Golden Text taken from the first epistle of the beloved apostle, John, "All that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world" (2:16).

A Bible reference in the sermon quotes Isaiah, "All flesh is grass, and all the goodness thereof is as the flower of the field: . . . The grass withereth, the flower fadeth: but the word of our God shall stand for ever" (40:6, 8).

This passage is correlated with a statement by Mary Baker Eddy from "Science and Health with Key to the Scriptures," "Spirit, God, has created all in and of Himself. Spirit never created matter. There is nothing in Spirit out of which matter could be made, for, as the Bible declares, without the Logos, the Aion or Word of God, was not anything made that was made" (p. 335).

Theater Bus Trip Planned

The "Theater Bus" of the Torrance recreation department will be heading for Pasadena on April 10 to see "Night Must Fall," a mystery thriller, at the Town Hall Theater.

This theater presents their productions "in the round" or "arena style" an unusual type of staging with the audience on four sides, giving the audience true, intimate theater. "Theater Bus" trips are planned to take advantage of the outstanding productions of the amateur and semi-professional Little Theater groups in the area.

Adults of the Torrance area are invited to make reservations for the bus which will leave the City Hall parking lot, April 10 at 7 p.m. Reservations should be made by calling the recreation department before April 1.

Talk Slated On 'Greatest Gift' Sunday

The Narbonne Ave. Baptist Church of Lomita began an 8:30 a.m. worship service last Sunday to take care of the increase in attendance at the morning worship service at 11 a.m. and is a duplicate of this latter service.

The pastor, Robert A. Wells, will speak at both services Sunday on the subject, "God's Greatest Gift to Man." This is the first in a series of messages to continue through Easter Sunday. These sermons will be on the theme, "Did God Come to Earth?"

This Saturday night will be Youth night for the young people of the church to enjoy fun and fellowship. The annual Youth Week will be April 6-13. During this week young people will fill all the offices of the church. This will be followed by a youth revival April 20-27.

'Mom & Dad' Will Open at Drive-In Here

"Mom and Dad," the story of the part that sex education plays in the life of an average family, will open an engagement Wednesday at the Torrance Drive-In Theater.

"Delinquency can't be stopped by punishing it—but only by preventing it," declares one of the story's main characters, Carl Blackburn, a teacher, who teaches high school students the facts of life.

Elliot Forbes, hygiene commentator, will appear in person on the stage at each performance.

Co-featured on the same bill is a film exposing the marijuana racket among teenagers, "She Shoulda Said No," starring Lila Leeds, who lived the story and helped write it.

CITY OF TORRANCE
CALIFORNIA
OFFICE OF THE MAYOR

Dear Friends and Neighbors:

During the past few years great changes have taken place in our city, and the name of Torrance has become known all over the United States. Not only as an industrial center, but also as a good place to live and work.

We have become a city of homes, churches, schools and beautiful residential areas. Our new civic center and swimming pool are dreams come true. Garden clubs, art, drama and music groups have added to the community's cultural lift.

The years to come hold even greater promise. Our low tax rate will continue to attract new and diversified industry, providing jobs for an ever growing population. And the substantial sales tax revenue derived from the huge shopping centers now under construction should make our tax outlook even more favorable.

In serving the City of Torrance for the past four years, it has been my constant objective to maintain and improve our efficient city services while holding the line on taxes, and to give the needs and requirements of all groups and sections equal consideration. As far as I am concerned, there is only one campaign issue — good city government.

I hope I have merited your continued confidence.

Sincerely yours,
Albert Isen
